

We are now on Slack! You can network with Site Coordinators, Early Learning Specialists, and National Center staff to talk, ask questions, seek advice, and share ideas.

You can join the ParentChild+ team on Slack through [this link](#).

- 1) Please forward this link to your Early Learning Specialists.
- 2) When you click on the link, you will be asked for your email address; you will then receive a confirmation email.
- 3) Please click 'Confirm Email' and enter your first name, last name, and a username. See below for the standardized format for creating your username.
- 4) Choose a password and click **Next**.
- 5) Review the Terms and Conditions. Once you click on the **I Agree** button, the following screen will take you to the PCHP Connect page.
- 6) Once you join, a staff member from National will invite you to the different Slack 'channels' where you will be able to network with your fellow coordinators/early learning specialists. Each channel has its own issue focus.
- 7) Welcome to the ParentChild+ Connect team!

Standardized Format for Usernames

So we can all identify each other, please use the following format for your Slack usernames:

Your first name*, followed by an 'underscore', your ParentChild+ role (initials), and your state (initials)

Please use the following initials for your ParentChild+ role:

National Center: NC

State Director: SD

Site Coordinator: SC

Early Learning Specialists: ELS

For example, the username for Courtney at the National Center is:

courtney_ncny (Courtney, National Center, New York)

*If Slack tells you your user name is taken, please add your last initial or a number to your name.
